

Lifting Trolley THW 3S
for Roll Slitter MOLEY®

THW 3S EB T100

THW3S in loading position

With MOLEY® it's always a premium cut!

Lifting Trolley THW 3S EB

Loading aid for MOLEY® roll slitter – for easy handling of material rolls (loading/unloading).

The lifting trolley is manufactured in different versions and is designed as an accessory in each case specifically for the corresponding model of the MOLEY® roll slitter.

Safe handling of rolls with different diameters without slipping, sliding or falling.

Lifting range 650-950 mm (floor level) - loading surface 900 x 530 mm

Standard execution: 12 V – max. charge 100 kg

Heavy duty execution: 24 V – max. charge 200 kg
and special executions made to requirements

- Construction/execution to Eurostandard „CE“
- Motorized height adjustment by push-button command
- Parking brake operated comfortably by foot pedal
- Loading platform with specially shaped profile
