*for Roll Slitter MOLEY®*

*With MOLEY® it's always a premium cut!*

### ***Dust extractor SAUGBOY 180***

The dust extractor SAUGBOY 180 is the ideal accessory for cutting hard materials with a circular saw blade.

The SAUGBOY 180 dust extractor device is free-blowing and has a large capacity (approx. 220 liters). The effective filter hood made of high-quality polyester needle felt guarantees a high level of environmental friendliness. The suction is mobile and fits perfectly to the suction flange of the roll slitting machine MOLEY. Using the control unit on the roll slitting machine, the dust extractor can be conveniently switched on automatically when sawing.
