

**POLYSTAR<sup>®</sup>**

*Heat-Impulse Sealers*

*Great performance for a small price!*

**POLYSTAR®** - Our heat-impulse film sealers are suitable for a wide range of packaging tasks. From a sack of charcoal to ready-ground valuables – everything can be sealed in a dustproof and watertight manner, because there is a suitable Polystar® welding machine for every size and every purpose.

Whether sealing tongs with impulse generator or table devices with foot switch, magnetic and continuous welding devices, for mobile use or stationary. And of course we also supply the suitable foils.
